Independent Accountant's Report

Lori H. Flanery, Secretary, Finance and Administration Cabinet
The Honorable Patsy Conway
Franklin County Property Valuation Administrator
Frankfort, Kentucky 40601

We have performed the procedures enumerated below, which were agreed to by the Franklin County Property Valuation Administrator (PVA), solely to assist you with the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2010 through June 30, 2011. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Franklin County PVA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2011), for all bank accounts, to determine if amounts are accurate.

Finding -

The PVA has a receipts ledger and disbursements ledger. The PVA prepares a monthly bank reconciliation. The June 30, 2011 bank reconciliation was accurate.

2. Procedure -

Confirm any and all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also review the list of city receipts for completeness.

Finding -

Based on the work performed, payments from cities have been confirmed and compare favorably to PVA receipt records. List of cities appears to be complete.

3. Procedure -

Confirm any and all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

Based on the work performed, payments made by the Fiscal Court to the PVA have been confirmed. The budgeted statutory contribution by Fiscal Court compared favorably to the legally required amounts calculated by the Department of Revenue. Fiscal Court payments were traced from the Fiscal Court statutory contribution budget to the PVA's local bank accounts and the receipts register.

4. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to cancelled checks, paid invoices or other supporting documentation. Determine if the expenditure is for official business. Review all credit card statements (if any) to determine if expenditures are for official business.

Finding -

Selected disbursements agreed to cancelled checks and paid invoices or other supporting documentation. Credit card purchases were appropriate. Expenditures were for official business.

5. Procedure -

Compare capital outlay disbursements with cancelled checks, supporting documentation, and proper purchasing procedures. Verify the location of newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

There were no capital expenditures for over \$5,000. There were no items purchased for over \$500. The PVA is properly accounting for capital outlay disbursements. The items were present and accounted for.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No contracts discovered.

7. Procedure -

Compare PVA's final budget to actual expenditures to determine if PVA overspent in any account series.

Finding -

Auditor compared budget to actual expenditures and determined the PVA did not overspend in any account series.

8. Procedure -

Determine whether collateral is necessary for the PVA's funds. If necessary determine if a collateral agreement exists.

Finding -

Collateral was not necessary for PVA's funds. FDIC coverage was adequate.

9. Procedure -

Determine whether timesheets are completed, maintained, approved, and support hours worked.

Finding -

Time records are completed, maintained, approved, and support the hours worked.

10. Procedure -

Determine whether cash balances were properly transferred from former PVA to new PVA.

Finding -

No change in PVA.

11. Procedure -

For newly hired employees, during July 1, 2010 through June 30, 2011, of the PVA office determine if the Ethics Certification Form has been completed and is on file.

Finding -

PVA hired no new employees during the period July 1, 2010 through June 30, 2011. The PVA did hire two new employees after June 30, 2011 and their Ethics Certification forms were appropriately completed.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

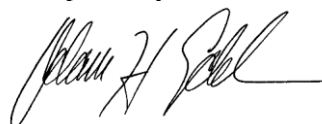

Finding -

The PVA's office was closed only on state approved holidays.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on the receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Property Valuation Administrator and the Department of Revenue and is not intended to be and should not be used by anyone other than these specified parties.
